OASIS APP FOR FACULTY AND STAFF

The Office of Diversity and Inclusion and the Human Resources Department has partnered with Oasis Mental Health Application to provide well-being resources and support through the Oasis app which is currently available at no cost to all faculty, staff, and students! The Oasis app offers daily affirmations, a campus hub, general well-being tips and strategies, and a resource library of self-care and mental health topics for you to explore. We hope that this will be a valuable resource for you and your work with student employees in your campus workplace!

You can find the app in the Apple Store and the Google Play Store by searching for "Oasis Mental Health." Once downloaded, use your Berry email to sign up. If you have any questions, technical issues, or would like to provide feedback, please email team@oasisapp.com
